MEMO ENDORSED

Re: J.C. v. Zimmerman
Action No. 22-cv-323-KPF

Dear Judge Polk Failla:

I represent Defendant Bob Dylan in this action. Yesterday, I submitted a letter requesting a conference with the Court to discuss Plaintiff's counsel's failure to provide responses to Defendant's document requests by the Court-ordered deadline of May 30, 2022. ECF 28. I write to inform the Court that after I submitted my letter, Plaintiff's counsel finally provided the late responses and objections to Defendant's document requests. As a result, I hereby withdraw my request for a conference on this issue. We remain available at the Court's convenience should the Court wish to discuss this matter.

Respectfully,

HURWITZ FINE P.C.

The Court is in receipt of Defendant's June 1, 2022, and May 31, 2022 letters (Dkt. #29, 28), which follow Defendant's May 16, 2022 letter raising similar issues related to Plaintiff's noncompliance with the discovery deadlines in this case (Dkt. #25). The Court has previously warned Plaintiff that failure to abide by the discovery deadlines will not be tolerated. (Dkt. #27). The Court expects that Plaintiff will heed that warning and meet her obligations in this case without Court intervention. If, however, Plaintiff continues to neglect her responsibilities in this case, the Court will take appropriate action at that time.

The Clerk of Court is directed to terminate the motions at docket entries 28 and 29.

SO ORDERED.
